

500kWh modular outdoor cabinet for wastewater treatment plants

Modular Water Systems provides a broad selection of standardized and custom engineered wastewater treatment products, packaged lift stations, and ancillary wastewater infrastructure solutions for agricultural, ...

The BESS solution delivers utility-grade energy storage for commercial and industrial applications. The system features modular architecture supporting 250kW to 500kW continuous power output with 500kWh-1MWh ...

The RS485 certified Outdoor ESS Cabinet has a robust and rugged internal and external structure. It is delivered >95% pre-assembled, having already been manufactured, assembled, commissioned, and tested at our ...

Power Distribution Systems: Various high-performance distribution boxes, distribution cabinets, and switchgear, meeting the needs at all levels from end users to main distribution rooms.

The Modulair system can be easily enlarged or modified and has the flexibility for any treatment requirement, including pretreatment, AFE, ASH, tertiary, disinfection, denitrification and phosphorous removal.

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.

Our outdoor control cabinets have been specially developed for outdoor installation and offer reliable protection from the weather and frost. They can be placed directly next to the septic tank.

Engineered for high-capacity commercial and industrial applications, this all-in-one outdoor solution integrates lithium iron phosphate batteries, modular PCS, intelligent EMS/BMS, and ...

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the top, and has ...

? High-Capacity Outdoor Energy Storage for Scalable Applications Key Features: 1075kWh battery storage with 500 kW rated AC output, ideal for commercial and industrial loads. Combines LFP batteries, PCS, ...

The RS485 certified Outdoor ESS Cabinet has a robust and rugged internal and external structure. It is delivered >95% pre-assembled, having already been manufactured, assembled, ...
