

Specifications included in this datasheet are subject to change without notice. Version number: TSM\_EN\_2021\_B

Detailed profile including pictures, certification details and manufacturer PDF.

Specifications included in this datasheet are subject to change without notice. Trina 605W - Free download as PDF File (.pdf), Text File (.txt) or read online for free.

Up to 22.4% module efficiency with high density interconnect technology.

This dual-sided capture can increase overall energy yield by 5% to 30% compared to traditional monofacial panels, leading to more power from fewer panels and a lower overall system cost.

Designed with advanced N-type i-TOPCon cell technology and dual-glass construction, this module provides superior power output, reduced degradation, and increased energy capture from both sides ...

TSM-605DE20 Solar Panel Product Information - (605W) by Trina Solar Co Ltd including datasheet and warranty information where available.

Discover the trina 605w solar panel with 78.6% efficiency, 40-year performance warranty, and bifacial design. Click to explore top suppliers, pricing, and customization options for your energy ...

This dual-sided capture can increase overall energy yield by 5% to 30% ...

STC: Irradiance 1000W/m<sup>2</sup>, Cell Temperature 25°C, Air Mass AM1.5. \*Measuring tolerance: ±3%.  
NOCT: Irradiance at 800W/m<sup>2</sup>, Ambient Temperature 20°C, Wind Speed 1m/s. ed connector.  
CAUTION: ...
