

## Balcony glass can be installed with storage cabinets

What is a glass balcony enclosure?

A glass balcony enclosure essentially turns it into another indoor space for your apartment. Your balcony will basically be a sunroom, which can have massive benefits. You can get framed or frameless glass enclosures, but the only real difference is appearance.

How do you store things on a balcony?

Storage benches are the most common balcony storage solution. In addition to seating, they offer space to store books, outdoor cushions, board games, and other knickknacks. Wall-mounted shelves and storage cabinets are great options for storing small plants, gardening tools, cleaning supplies, and decor items.

How can I Make my Balcony a better space?

Utilise your balcony's vertical space by installing wall-mounted shelves and cabinets. Invest in a storage bench, a side table, or a bookshelf with built-in storage to maximise space and improve the aesthetics of your balcony.

What is the difference between glass and masonry balconies?

The main difference between glass and masonry balconies is brightness. The glass balcony allows all the sun's rays to illuminate the area behind it, whereas masonry balconies are naturally less bright and therefore also less liveable. The view is also inevitably limited. So, better a glass balcony or a masonry balcony?

In conclusion, balcony glass can be installed on many types of balconies, but factors such as structure, local regulations, and personal preferences play crucial roles in determining the feasibility.
