What is the Buenos Aires metropolitan area (Amba) tender?

The heart of this tender, which also comes officially as AlmaGBA, is a strategic desire to stabilize the grid of the Buenos Aires Metropolitan Area (AMBA). Similar to most Latin American cities, AMBA is under the pressure of expanding energy demand, the deterioration of infrastructure, and the frequency of extreme weather conditions.

What is the Buenos Aires grid program?

Intended to strengthen the grid in the greater Buenos Aires region, the program has attracted a lot of attention; it has been subscribed to projects that are about twice the desired capacity.
