

We are a Solar Pump supplier serving the Jordan, mainly engaged in the sale, quotation, and technical support services of various Solar Pump products in the Jordan region.

Our main products and solutions include solar street lighting systems, solar pumping systems, solar off-grid systems, solar on-grid systems, and solar PV-diesel systems.

Includes RPS 200, RPS 400, RPS 800 and Extra Clearance Discounts up to 40% O.

You can contact us by email at sales@machinesequipments for reliable Solar Water Pump supplier, we are well-known for our world-class Solar Water Pump and one-stop bulk and trustable Solar System ...

Golden Systems Group. is one of the Jordan's leaders companies for supplying mechanical systems in the fields of heating systems, solar systems, water pumps and sanitary systems.

Once the results had been collected, the project entered a new phase with preparations to replace 300 inefficient water pumps with pumps fitted with solar panels: 200 in the Jordan Valley and valleys ...

With solar irradiation levels between 5 and 7 kWh/m²/day, Jordan is an ideal location for photovoltaic solutions. The potential market for solar pumping systems is estimated to exceed 100 MW, ...

The present research investigates the feasibility of an HRES based on two different RE sources: solar PV, wind, and conventional DG to power a WPS in an isolated desert rural area of Al-Mudawwara ...

Using Franklin quality components, our technical expertise in groundwater pumping, and innovative thinking based on global market inputs, we have developed a rugged, high-output solar-powered pump system which ...
