

Mobile Outdoor Cabinet for Field Operations

What is a multitenant outdoor cabinet?

Vikiner's multitenant outdoor cabinets enable multiple operators or equipment types to share the same protected infrastructure. Segmented internal layouts and isolated compartments ensure electrical and thermal separation, making them ideal for shared telecom or co-location sites. Get technical specifications and pricing tailored to your project.

What types of outdoor enclosures does Aze offer?

AZE offers a comprehensive range of outdoor enclosures for virtually any installation. Designed to NEMA Type 3R, NEMA Type 4 or IP rating requirements, our outdoor cabinets and enclosures protect equipment from harsh environmental conditions.

What is a NEMA cabinet?

RAIN / SLEET / SNOW / ICE / WIND / CORROSION (extreme heat/extreme cold) The NEMA type cabinet is installed in multiple outdoor locations of distribution centers and retail stores.

Where can a NEMA cabinet be installed?

The NEMA type cabinet is installed in multiple outdoor locations of distribution centers and retail stores. Deploying the cabinet at various points throughout a single campus environment gives employees access to faster data analysis and transfer of POS metrics, inventory management, security surveillance, and more.
