

Modular energy storage cabinets with IP55 rating for remote areas

Discover our high-efficiency, modular battery systems with zero capacity loss and rapid multi-cabinet response. Ideal for industrial, commercial, and emergency applications, our solutions offer remote ...

All-in-one, high-performance energy storage system for various industrial and commercial applications. Highly suitable for all kinds of outdoor applications such as EV charging stations, industrial parks, ...

Designed for rapid outdoor deployment of high-capacity copper cables and OLT equipment, these high-reliability cabinets are trusted by operators worldwide and deployed in over 100 countries.

AZE's lithium battery energy storage system (BESS) is a complete system design with features like high energy density, battery management, multi-level safety protection, an outdoor cabinet with a modular ...

It is the ideal turnkey asset for utility-scale applications, commercial & industrial (C& I) projects, and remote micro grids. Built to thrive outdoors, the cabinet boasts a high IP55 protection rating, ...

With an IP55-rated enclosure, built-in UPS modules, breaker protection, and dedicated battery space, Citadel ensures continuous operation for telecom, traffic, and CCTV systems under extreme conditions.

ZYC SIMPO Cabinet4+ Outdoor SKU: SIMPO Cabinet4+ Outdoor The ZYC SIMPO Cabinet4+ Outdoor is a robust, high-performance battery enclosure specifically engineered to house SIMPO 5000 ...

Available in both 100kWh and 215kWh capacities, this modular system integrates power modules, batteries, cooling, fire protection, and environment monitoring in a compact outdoor cabinet.

Each cabinet integrates battery modules, hybrid inverter, EMS, fire suppression, and cooling in one compact, IP55-rated enclosure for outdoor use. The system is modular and scalable, supporting ...

It is specifically designed to store and manage energy in an outdoor environment. This system is equipped with various components, including a high-voltage energy storage inverter, a high-voltage ...
