

Let's keep your finances simple. Insure what you have. Invest when you're ready. Retire with confidence.

Contact us if you have a question or comment and we'll make sure it gets to the right person.

Learn about the retirement, investment, and insurance options available and what can fit your life.

The Lyapunov stability principle is applied to ensure asymptotic stability under disturbances. The proposed control strategy is validated through simulation using a seamless switching model of the power ...

Micro-grid smooth switchover method based on controller state following can smooth active and reactive output of DGs at switch moment and enhance stability of voltage and frequency of micro-grid.

This article mainly focuses on the microgrid with a master-slave structure, based on the fast response characteristics of energy storage, and proposes a smooth switching ...

Fig.4 Battery inverter control mode switching When connected to the grid, K1 closed K2 off, the battery inverter using PQ control; island, K1 off K2 closed, switch to V/f control, changing the control mode of the inverter. In ...

Welcome, we're so glad you're here. In just a few steps, you'll be on your way to planning for retirement.

To ensure the stable operation of a multi-machine parallel PV energy storage microgrid under varying grid strength without inducing resonance, this study proposed a distributed PV parallel smooth ...

Goal of this work: Study operational techniques to achieve seamless microgrid transitions by dispatching a GFM inverter. We propose three techniques and compare them analytically and validate them through pure ...

To achieve smooth switching between grid-connected and islanded operation of microgrid, a smooth switching control strategy based on the consistency theory for multi-machine parallel PV energy ...

Enroll online in your company retirement plan with Principal Financial Group®; to make easy, pre-tax salary contributions to your retirement savings.

Self-registration page Businesses and auditors "I manage retirement or insurance plans at my company." To create an employer or plan sponsor account, watch for an email from your Principal ...

Enables claim decisioning for disability insurance claims.

Does your employer offer a 401(k), 403(b) or governmental 457(b) plan? These common retirement savings plans can help make the process of saving for retirement easier.
